

ABBY DREW

'Hey there!

I'm Abby and I'm the worship leader at SEC. You will usually find me always singing, always chatting, always annoying my sister (I love her really!), and always playing with the children!

My passion lies in worship and using these gifts God has given me to connect and bring people closer to Jesus through music. I have a heart of worship and massive love for Jesus, where I have such a hunger to see more people meet and encounter his spirit!

I am currently 18 and am studying speech and language therapy at university. I have been leading worship since I was 15, and been part of this church family since as long as I can remember. I became a follower of Jesus at the age of 11, and have fell in love with him more and more everyday since. I'm also a massive advocate for young people, and supporting their journey following Jesus in such a reckless world.

I love spending time with family, socialising with friends, drinking coffee, playing music and being involved in netball and running teams. I'm always looking for excuses to go to costa, so let me know if you want to grab a drink!
